

Stan

You will be missed but always remembered with love

Those we love don't go away
They walk beside us every day
Unseen, unheard but always near
Still loved, still missed and very dear

Thank you for attending this service to celebrate Joan's life.
You are invited to join us at The Toronto RSL following this service, where we can share refreshments, a little more time and some memories.

Don't be sad that I have left

Don't be sad that I have left; just be glad that I have been.
Think of me as one at rest, for me you should not weep.
I have no pain, no troubled thoughts, for I am just asleep

The living, thinking me that was is now forever still
And life goes on without me as time, forever will
If your heart is heavy now because I've gone away
Dwell not long upon it friend, for none of us can stay.

Those of you who liked me, I sincerely thank you all
And those of you who loved me, I thank the most of all.

The answer to life's riddle, in life I never knew.

I go with hope that now I will and even so will you.
Oh foolish, foolish me that was, I who was so small
To have wondered ever worried at the mystery of it all.

And in my fleeting lifespan as time went rushing by
I found some time to hesitate, to love, to laugh to cry.

Matter not it time began, it time will ever cease
I was here, I used it all, but now I am released.

The Lord's Prayer

Our father, which art in heaven,
Hallowed be thy Name.
Thy kingdom come.

Thy will be done, in earth as it is in heaven.
Give us this day our daily bread.

And forgive us our trespasses,
As we forgive them that trespass against us.
And lead us not into temptation;

But deliver us from evil:
For thine is the kingdom, The power, and the glory,
Forever and ever.

Amen
